### Description

What makes our Guide Gear 16' Deluxe Deer Stand such a great value? Well for starters, it was designed by outdoorsmen for outdoorsmen. We spent countless hours mocking up designs to make sure our Ladder Stand was not only safe, but durable and comfortable, too. Then we brought it up north to see how it would fair in the field. And we're proud to say our Ladder Stand passed with "flying colors." Sturdy. Comfortable. Built to last. Designed to help you succeed. On sale NOW for a limited time while supplies last. Was originally \$129.99 on sale for \$94.99.
